

B YOUNG

WELLNESS

Elevate Your *IV*.

WILLIAMSON COUNTY AND THE GREATER NASHVILLE AREA

Hydration

A liter of saline. That's the whole bag — for when you are simply dry.

\$180

Hydration+

The same liter, with a mineral blend. Heat, a long day, light training.

\$200

THE GLP-1 BAG

Replenish

Built for GLP-1 users. Fluids, minerals, B vitamins, and amino acids when appetite and thirst are low.

\$275

THE HOUSE BAG

B Young Signature

The Myers. Elevated. B complex, methyl B12, magnesium, vitamin C, and a glutathione push to finish. The bag that's got your back.

\$275

Radiate

The week of the wedding or a big event, shine from the inside out. B vitamins, vitamin C, biotin, and glutathione.

\$300

Recover

The workout bag. Aminos, minerals, and glutathione to keep you in the game.

\$300

Runway

Takeoff feeling your best. Signature plus zinc — cabin air, time zones, the week you can't get sick.

\$300

Rebound

Sick day. Flu. Stomach bug. Hangover. Zofran, Toradol, and glutathione already in the bag.

\$325

STANDALONE VISIT · ABOUT AN HOUR

Niagen 500 mg

Nicotinamide riboside — the precursor your cells use to make NAD+. Its own appointment. Shorter and typically gentler than a traditional NAD drip.

\$800
